CONFERENCE and CAREER FAIR for YOUNG WOMEN in GRADES 5-10

## Saturday, November 17, 2018

At Hartnell Student Center: Steinbeck Hall

Expanding Your Horizon conferences feature fun and challenging hands-on math, science, and engineering activities to young women in grades 5-10. The Lyceum of Monterey is currently looking for female exhibitors to serve as professional role-models to participants during this year's Career Fair.

### Career Fair Schedule:

10:30am	Participants Arrive to Setup Tables
11:30am	Career Fair Begins
1:00pm	Career Fair Ends

All industry professionals working in the STEM fields (Science, Technology, Engineering and Mathematics) are welcome to participate.
